DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

The limitations found in claims 1-8 are neither disclosed nor taught by the prior art of record, alone or in combination. The current art of record does not disclose the limitations of "said external face of said frusto-conical wall comprises a plurality of shallow recesses which are arranged at given intervals therebetween around the circular direction and which extend in a direction from said narrowed end section towards said circular ridgeline, said shallow recesses leading to deep recesses near said circular ridgeline, whereby protrusions are formed adjacent to said shallow and deep recesses" in combination with the other limitations recited in claims 1, 17, and 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
